

God has a Plan for Isaac's Wife

"Isaac's wife must come from God's people. She must be a believer"

Abraham sends his trusted servant to seek a wife for Isaac

The servant prays:

"Give me a sign to show me who the right person is"

Rebekah is kind to him

She gives him water and gives water to his camels.

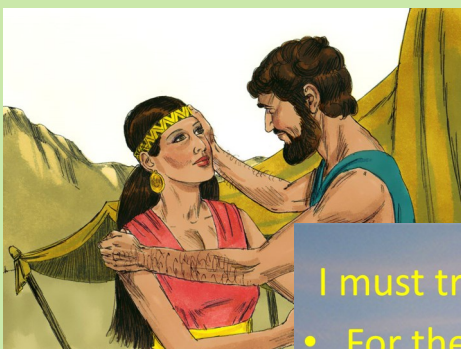

She invites him to see her father.

Rebekah trusts God

She travels back with the servant

**When they arrive home, Isaac is praying
His prayer is answered.**

God has a plan.

God can take away your sins.

I must trust God

- For the future**
- For my soul**

**Ask, seek, knock.
Matthew chapter 7 verse 7.
You can ask God "Please, in my life, guide me the right way."**
