

Joseph's Dreams Come True!

You can read about this in Genesis Chapter 41 and 42

Jacob is still in prison 2 years later.

Pharaoh (the king of Egypt) has strange dreams.

The butler remembers Joseph! "He can interpret dreams"

Pharaoh sends for Joseph. Joseph says there will be a famine (no food) in the land for 7 years!

He tells Pharaoh what he must do.

God warns me about hell and tells me how to be saved.

Pharaoh makes Joseph the Prime Minister of Egypt.

Joseph still believes and trusts in God even when he is powerful.

God makes Joseph wise.

Joseph's brothers come to buy food. They do not recognise Joseph but he recognises them.

Joseph tests them. Have they truly repented of the evil things they did to him?

Have I truly repented of my sins?

Do I believe in Jesus and follow Him only?
